Our Vision

Lock Box Challenge

With challenges for everyone, our Lock Box is a great hit for all groups! Work against the clock to get in the box and collect as much fun money as you go to be crowned the winning team.

This challenge is against the clock, each team has to crack the codes to get inside the flight case given to them. Sound simple? All that is in their way is a padlock and an unusual key! Frustration initially kicks in as the task of getting into the case isn't as simple as it looks and discussions ensue of how this can be completed with the team leader role changing as the minutes pass!

As the seconds and minutes pass on the unrelenting countdown clock the teams will throw themselves into a range of physical and mental challenges that require in turn concentration, energy, dedication, creativity and most of all - teamwork. Who has the skill and dexterity to spin a plate, who has the patience to crack the Chinese puzzle box, will the team be able to pull together to tie a human knot, and which team has the energy to get this all completed in the time limit?

With time being of the essence the teams must decide the best course of action - do they tackle the easy challenges and amass points by completing volume or take the challenge of tackling the more difficult higher point scoring challenges. This event is fast moving, engages all members of the team, and certainly ensures that there is a competitive but fun air in the room.

As time trickles away the suspense in the room can be heard - who has done enough to claim victory at the finish?!

Lock Box Challenge

Prizes

The winning team is presented with a bottle of bubbly.

Agenda

We recommend an approximate running time of approximately 1.5 hours.

Venue Requirements

Your lock box event requires a meeting room where each team has a table to work on with space for completing challenges around the table. A top table is required at the front of the room. A projector and screen or TV will be also be required if it's not already in the meeting room.
