Our Vision

Race Night

Break out the waistcoats and your fanciest hats - we're off to the races! Our version of the traditional English pastime has a thrilling atmosphere to rival Royal Ascot and give the Grand National a run for its money. Can you take a small stake and turn it into a jackpot?

Our quirky bookie will whip up the excitement with a big introduction and racing banter. Listen carefully! You might pick up tips for getting the best out of your form guide. Team tables use their race cards to place bets on big screen races. Study the form of each horse and see if you can pick the winners. Will the nags run true to form or will you scoop big money on a long shot?

Race Night

Event Format

Maximising your table's pot is the name of the game. We'll start you off with some seed money' - it's up to you to turn your stake into a stack. Pick one horse for the table in each scheduled race, and place your wagers with our Silver Ring bookies. If your horse places 1st, you'll get your winnings back in fun money.

With the final odds posted and the bets all in, each race plays out to exciting running commentary. The winning tables take all, so you'll need to manage your stake carefully.

There are 6-8 races to bet on. Up the ante and go for the big money!

Agenda

Race Night lasts approximately 1.5 hours.

Venue Requirements

Please ensure there is adequate, convenient parking with direct access to the room for setup. Race Night requires a venue with a room large enough to accommodate one table per team and additional space around the edge of the room for our Tote booth and props. At the front of the room, we'll need a width of 5m and at least a 2m gap behind our racing screen for rear projection. Ideally the room should be located on the ground floor, with good access and a minimum ceiling height of 2.5m.
