Our Vision

School Sports Spectacular

Fingers on lips... Hands on heads... It's school sports day for adults! We've taken all the classic events from yesteryear and supersized them. Think giant eggs, spoons, welly wanging, wheelbarrow racing, and a bouncy obstacle course. Relive your glory days with an event that brings out the big kid in everyone.

This is a 'get stuck in and go for it' team building extravaganza. Turn computers off and leave smartphones on the sidelines. There are medals up for grabs and the kudos of standing on the winners' podium. Bring your trainers and bags of team spirit!

Our comperes will get everyone amped up and ready to race. They'll make sure the atmosphere really pops and fizzles throughout the event. With a stirring soundtrack pumping out of the PA, the whole field will be jumping around.

Who will smash the egg and spoon? Which team will triumph in the three-legged race? All will be revealed when the final whistle blows.

Beanbag

Think you can run a relay race while balancing a beanbag on your head? Reckon you can do it six times? Good balance and speed will win this event.

Three Legged Race

Six competitors from each team join forces for the ultimate three-legged relay race. Think tangled limbs, big belly laughs and memorable moments.

Giant Egg Spoon Race

Six people represent each team in a hilarious relay race with massive eggs and spoons. Each competitor runs 50m overall. Half the challenge is not collapsing in a fit of the giggles and dropping the egg!

Welly Wanging

Six people represent each team in a hilarious relay race with massive eggs and spoons. Each competitor runs 50m overall. Half the challenge is not collapsing in a fit of giggles and dropping the egg!

Wheelbarrow Race

One team member does the 100m dash with the wheelbarrow whilst the rest of you throw as many plastic balls as possible into it. The team with the most balls in their barrow wins the race.

Sack Race

Nine members from each team climb into giant builders sacks and jump 50m to the finish line. The trick is to get everyone jumping in harmony. Each team competes in three heats. This one really gets the blood pumping!

Giant Obstacle Course

Team members must run the gauntlet in a relay on our treacherous obstacle course, emerging from the other end where they are faced with the task of shooting hoops on our giant inflatable basketball shoot for points.

Costume Relay Race

Nominate a model and your best runners for our fun take on the 100m sprint. The runners charge up and down the course, collecting items of clothing as they go. Once back at the start, they dress the model in double quick time. The team that fully dresses their model first wins the event.
