Our Vision

Totally Wiped Out

Inspired by the smash hit TV series, Totally Wiped Out! See teams battle it out to win side-splitting games and events in the great outdoors. Think inflatable obstacle courses, bouncy challenges and blow-up fisticuffs. This is team building at its peak!

Designed and created by us, these exclusive games are played in unique custom-built environments. Bounce across the Big Red Balls and power along the challenging inflatable Tricky Trunks.. Games are either continuous team relays, which get everyone involved in a fun, competitive environment; or individual challenges - perfect for learning more about management, communication and delegation.

Sweeper Arm

Climb the pedestal and don't fall off.

Simple.

Oh, did we mention that there are two giant rotating arms, trying to sweep you off your feet?

Slope

Because there 'ain't no mountain high enough' we have an inflatable substitute!

In an attempt to recreate Hannibal's exploits, you'll be required to make as many climbs of this mountain with the aid of the rope.

Sounds easy, until you see the soap and water!

Hilarious Hoppers

Jump on the giant inflatable hopper with 3 to 6 members of your team, now for the hard part working together to win the race. Communication and coordination will be needed to get this giant inflatable hopper and your team over the finish line together. 1,2,3 Bounce!

Obstacle Course

Team members must run the gauntlet of our treacherous obstacle course, emerging from the other end where they are faced with the task of shooting hoops for points.

Tricky Trunks

Make like a monkey and shimmy along the tricky trunks - two huge slippery inflatable tubes! If you can cling on despite the foam, you're in with a chance of winning! Teams race head to head in a continuous relay.

Big Red Balls

Everyones favourite! Leap like indiana Jones from ball to ball to qualify for a victory slide at the end. if you dont make it you'll have to scramble back up and try again!

Totally Wiped Out

You'll get a top notch Event Manager to make sure your Totally Wiped Out! tournament runs smoothly, and a brilliant MC to create a big buzz and keep competitors on top form all day.

Split the office into teams, pick some gladiator names and limber up for a real ding-dong battle. Whether your teams are conquering Tricky Trunks or braving the Sweeper Arm, there's a bouncy, foamy, head-scratching challenge to build every skill.

Below are the team building challenges you can expect to face during Totally Wiped Out! Please remember that games are subject to availability.

We recommend a running time of 2 - 2.5 hours depending on number of guests.
